

Hello Parents,

Welcome to the 2018-2019 School year! I am so excited to present you with the following After School Activities Catalog.

Please note:

1. There will be a one time \$10 activity fee for each semester Fall (August-December) and Spring (January-May). This fee is to cover any materials needed for their activity. **Please submit this fee to Megan Havens for the first semester while the Coordinator is on Maternity leave.**
2. If you fill out the activity form, your child is expected to be at every activity meeting, unless there is a family emergency or the child is excused by the after school coordinator and activity leader (you are responsible for informing the coordinator and leader if your child will be unable to attend the event). This is to respect the activity leader time, who is volunteering their time. As well as to teach the children commitment.
3. Depending on the activity, students may continue to join throughout the year. This will be indicated below as “open enrollment” or “limited time enrollment.”
4. Check the activity’s beginning date before signing up. Not all activities are year round
5. Dates are subject to change - if/when they do, you will be informed as soon as possible
6. Pick up:
 - a. You are responsible for picking up or scheduling transportation to pick up your child after a scheduled activity. You must also inform the front desk of your transportation plans if a 3rd party is picking up your child.
 - b. There is a 30 minute grace period if you cannot pick up your child directly after the activity’s scheduled ending time. However, if you pass this time amount, you will be charged for after school care, which is \$15 per day. For instance, chess is scheduled to finish at 4:00PM; you can pick up your child anywhere from 4-4:30 with no charge. However, if your child is not picked up by 4:35-6:00PM then you will be charged the After School Care fee of \$15. (Please inform the after school coordinator if you were unable to pick up on time due to traffic or due to an emergency and the fee may be waived).
7. Please note that students CANNOT be signed up for 2 activities with conflicting schedules (unless the after school coordinator and BOTH activity leaders agree to it). If your child is interested in 2 activities held at the sametime, please reach out to the coordinator and we can work on a tentative plan.
8. Your child must satisfy the grade requirement. For example, a kindergartener cannot attend woodworking which is for grades 7th-12th.

***Dates and Times are subject to change**

Projected Activities Catalog
